

ERUDITO LICÉJUS

EST. 2016

A global minded school making learning interesting!

WHY

“ERUDITO LICĘJUS”?

- **Integrated and experiential learning** focused on a student and constructed as a holistic education framework without breaking it up into separate and unrelated subjects.
- **Bilingual education** providing national and international programmes in the Lithuanian and English languages as well as fostering cultural interactivity.
- **Professional and experienced teachers** who are passionate about their field and bring experience from many different countries worldwide.

MISSION

To make each of our child a personality, eager to know, capable of creation, and distinguished by achievements.

OUR VALUES

Independence – freedom of expression and responsibility;

Diligence – high ethical and professional standards;

Friendship – tolerance and self-help;

Citizenship – concern for others and environment.

LEARNING PRINCIPLES THAT WE FOLLOW:

- Education focuses on the child;
- Teachers and students are equal;
- Education is differentiated and personalised;
- Educational process is active;
- Education is attractive and joyful.

INTERNATIONAL MINDSET

“Erudito licėjus” is an international private school based in **Kaunas** and **Vilnius**, applying world-renowned Cambridge Assessment International Education and International Baccalaureate (IB) programmes, as well as combining the Lithuanian National Curriculum and the local context.

**Cambridge Assessment
International Education**

Cambridge International School

Primary (Grades 1-4)

Lower Secondary (Grades 5-8)

Upper Secondary (Grades 9-10)

“Erudito licējus” is an accredited Cambridge International School since 2018 and continues to work with the world’s largest and oldest provider of international education programmes. Being part of the global network of 10,000 schools across 160 countries, “Erudito licējus” works with a curriculum that stems from the Cambridge Assessment International Education which is rigorous, robust and built upon the best practices from around the world. Five elements lie at the heart of a Cambridge education: international curriculum, teaching and learning, assessment, international recognition and global community.

Gymnasium (Grades 11-12)

“Erudito licējus” is proud to be officially accredited by the IBO as an IB World School since 2020 to run the IB Diploma Programme. “Erudito licējus” is now a part of a global community of schools committed to developing knowledgeable and caring young people who will be ready to shape their futures successfully and make contributions resulting in a more harmonious and peaceful world. The IB Diploma programme provides an internationally accepted qualification for entry into higher education and is recognized by many universities worldwide, including those in Lithuania.

INTERNATIONAL PRIMARY SCHOOL

Grades 1-4 | Age 6-10

"Learning why and how to learn is at the centre of all that we do"

Curriculum: Cambridge International Primary Curriculum.

Students can choose from different subjects, including English, mathematics and science, students can find plenty of opportunities to develop creativity, expression and wellbeing in a variety of ways.

Cambridge Secondary 1 Checkpoint

INTERNATIONAL LOWER SECONDARY SCHOOL

Grades 5-8 | Age 11-14

"Unity is strength – when there is teamwork and collaboration, wonderful things are achieved – and we practice it every day."

Curriculum: Cambridge International Lower Secondary Curriculum.

A dynamic and culturally relevant curriculum is designed to develop essential and transferable learning skills articulated in the lyceum development journey. Building inquiry-based skills required to become effective learners and team players are core to our daily school life.

In Primary and Lower Secondary School, the following subjects can be chosen:

English		French Foreign Language	
Lithuanian Home Language (for the Lithuanian students)		Lithuanian Foreign Language (for non-Lithuanian students)	
Math	Sciences	Music	Art
Global Perspectives	Digital Literacy	Physical Education	Social & Health Education

Cambridge IGCSE

INTERNATIONAL UPPER SECONDARY SCHOOL

Grades 9-10 | Age 15-16

"We practice asking ourselves: Are you being the best that you can be?"

Cambridge IGCSE was created more than 30 years ago. Now it's the world's most popular international qualification for 14 to 16 year olds. Cambridge IGCSE helps improve performance by developing skills in creative thinking, enquiry and problem solving. It is the perfect springboard to advanced study.

The following IGCSE subjects are offered to choose from at "Erudito licējus":

English	French Foreign Language	
Mathematics	Computer Science	
Biology	Chemistry	Physics
History	Global Perspectives	Business Management

IB DIPLOMA PROGRAMME

Grades 11-12 | Age 17-18

"We start recognising our talents and finding ways to serve others by using them."

Curriculum: International Baccalaureate
Diploma Programme

The International Baccalaureate® (IB) Diploma Programme (DP) curriculum sets out the requirements for the study of the DP. The curriculum is made up of the DP cores and five subject groups.

The following eleven IBDP subjects are offered to choose from:

Group 1 Students in Language and Literature:	English Language and Literature Lithuanian Literature
Group 2 Language Acquisition:	English B German B.
Group 3 Individuals and Societies:	History Business Management Psychology
Group 4 Sciences:	Computer Science Biology Physics Chemistry
Group 5 Mathematics:	Application and Interpretation (AI) Approaches and Analysis (AA)
The DP Core subjects:	Creativity, Activity, Service (CAS) Extended Essay (EE) Theory of Knowledge (TOK)

DP students are required to choose six subjects and the combination of the DP subjects that “Erudito licējus” offers leads to many university study paths. Possible career choices include Business Management, Computer Science, Engineering, Journalism, and Medicine, among others.

TALIA SHABAN

Cambridge International Primary
Programme Coordinator

Country of origin	South Africa
Education	BA Foundation Phase Education, University of South Africa
Experience in the education field	Talia started her career as a primary school teacher in Cape Town, South Africa. As Talia has grown into the field, her curiosity has led her to explore more progressive and multi-dimensional teaching environments focusing on skills to facilitate learning that incorporates 21st-century skills; she trains her students to be globally minded, knowledgeable and creative thinkers.
Countries of previous experience	South Africa
Years of practice	6
Moto	Compassion, empathy, tolerance, and kindness are important core values to her and she wants to foster the development of these personal qualities in her students.

DAVID BRISSON

Cambridge International Secondary
Programme Coordinator

Country of origin	Denmark
Education	International Honors Degree of Teaching, University College Absalon, Denmark. Character Education, University of Birmingham (UK), estimated graduation 2023.
Experience in the education field	International honours degree in teaching, doing a master's degree in character education.
Countries of previous experience	Denmark, Norway, Greenland, France
Years of practice	4
Moto	Learning is about growth and being willing to take risks. This way we will learn from mistakes that we make and experience the world from an open-minded perspective.

ANDREW HENNIGAN

Head of the IBDP Programme, IB
Diploma Programme Coordinator in
Kaunas

Country of origin	The UK
Education	BSc Hons in Applied Chemistry, Aston University (UK)
Experience in the education field	Andrew has taught Chemistry, Physics and general science throughout the secondary school range and also IB Diploma Chemistry and Cambridge IGCSE Sciences, IB Theory of Knowledge course.
Countries of previous experience	The UK, Malaysia, El Salvador, Slovakia, Thailand
Years of practice	21
Moto	Andrew firmly believes that education is not just about filling someone's heads with facts; it is about learning to think; having the confidence to try out one's ideas, and the resilience to try again if one's idea doesn't work!

UWE ANSELM

IB Diploma Programme Coordinator in
Vilnius

Country of origin	USA
Education	Bachelor of Science in Civil Engineering, Drexel University, PA (USA)
	Master of Arts in Liberal Studies, Stony Brook University, NY (USA)

Countries of previous experience	Lithuania & USA
Years of practice	20
Moto	Ad astra per aspera

LOCATION

Kaunas Campus is located on J. Gruodžio str. 9 in the centre of the city and within easy reach. It is easy for parents to pick up their children when they arrive in front of the school's door. The lyceum is within a walking distance from first Kaunas music school, Juozas Gruodis Conservatory, the Boys Choir Singing School "Varpelis", Kaunas Musical Theatre, and the historic Presidency.

Vilnius Campus is located in a newly renovated building complex in the center of Vilnius, Aludarių str. 3, at the foot of the Taurus Hill, right next to the Gediminas Avenue, close to the Seimas. In 2021, additional spaces of 4000 square metres will be opened in the lyceum building complex, which will have a modern laboratory of natural sciences, IT class, arts and music spaces, a canteen and a gym.
